

# EMA GOMEZ

ARCHITECTURE STUDENT

## PROFILE

Senior Architecture Student with a Minor in Real Estate Development and Construction Project Management in her final semester at the University of Maryland, where she'll earn her B.A. degree. Experienced in project management and real estate as well as sustainable design, urban development, and the construction process. Proficient in AutoCAD, Revit, Rhino, SketchUp, and project coordination with skills in problem-solving and communication. Interested in designing functional, sustainable buildings and contributing to development projects. Able to bridge the gap between design and construction by understanding both architectural vision and practical execution.
